The Hibernian Mysteries are mysteries which involve the overview of the past and future, connecting ancient wisdom with the images of a future encounter with the Cosmic Christ. These Mysteries weave the image of the Divine Feminine and the inner path. Ireland is home to The Black Madonna, Our Lady of Dublin, and also has a long history of Dark Goddesses involved in the mysteries of birth, death and rebirth.

...has just completed her service in the United States Peace Corps as a Health Educator for children and youth. She will present an overview of the Peace Corps, its ideals and practice as well as her observations of Albanian Culture in our current era. Of special interest is how Albania has practiced religious toleration and peaceful coexistence after nearly 50 years of enforced atheism.
